C., awarded contract at about \$300.

C., awarded contract at about \$300.

The continue

The continue of the chicks hatched from these eggs to be culls. They cannot throw show birds from every egg. As the fancier grows more into the business his eyes become more trained to pick out the inferior specimens at ar early age and by marketing these, or using them for home consumption it gives him more room to take care of his finer specimens. In this way great many folks get the idea, that the larger plants don't send out their be eggs to their customers, as in the library and the sendence of the case of the customers, as in the library and the sendence of the consumption it gives him more room to take care of his finer specimens. In this way great many folks get the idea, that the leggs to their customers, as in the library and the sendence of the season they see witchboards, etc., for interest witch on the says under construction in North and South Carolina.

General building activities continue throughout the South, and among the structures contracted for during the week were the following: \$300,000 office building at Richmond, Va.: \$350,000 of bank building at Shreveport, La.: \$60,000 clubhouse at Dallas, Tex.; \$25,000 clubhouse at Dallas, Tex.; \$25,000 church at San Angelo, Tex.; \$25,000 church at San Angelo, Tex.; \$25,000 church at San Annonio, Tex.: \$15,000 church at San Annon

Dehools.

A Boarding and Day School for Boys

Located on Grove Road, at the very edge of the city.

During the first session the number of boys will be limited to thirty-five. Eventually the school will comprise eight forms, providing a continuous and systematic course of instruction for boys from the time they are about ten years old until they are ready for college. For the present, however, boys above fifteen years of age will not be received.

The School will be, in the main, a Day School for Richmond boys, but there will be accommodation for ten resident pupils.

ten resident pupils.
